

Signature Solutions

Security Pens from MMF

Long-lasting bacteria-growth protection

agion®
Nature's antimicrobial

Agion® antimicrobial protection, a naturally occurring silver technology, prevents odor-causing bacteria and fungal growth on the surface of the pen*. EPA-registered and FDA-listed.

Our pens are designed to make theft, tampering, and damage things of the past! Designed with won't-go-anywhere bases, theft-resistant materials, and coils and cords that go the distance to get a signature!

Secure-A-Pen®

- Quick and easy refills with snap-on replacement.
- Rubberized, ridged grip for writing comfort.
- Adhesive-backed round base with a 24" chain.
- Mounts on any clean, flat surface.

Order No.	Description	List Ea
MMF-28904	Counter Pen, Black Ink	4.30
MMF-28704	Replacement Pen, Black Ink	2.35

**Antimicrobial protection is limited to the treated article and does not protect a user against disease-causing bacteria. Always clean products thoroughly after each use.*

Agion® is a trademark of Agion Technologies, Inc.

Wedgy®

- Square style mounts to any clean, flat surface.
- Scabbard style mounts to telephones, refrigerators, or walls.
- Virtually indestructible plastic coil extends to more than 5 ft.
- Adhesive-backed base.

*Security ink helps prevent tampering - writes on thermal paper.
